Travelling by car

From the A64 east of York, turn off the A64 at the A1079 exit and follow the signs for York and the University. Turn left off the A1079 by taking the first exit at the roundabout immediately after B&Q. At the next roundabout take the second exit towards Heslington onto Field Lane. At the traffic lights take the right turning towards the Science Park. At the mini-roundabout turn right onto Innovation Way. Take the second turning on the left into The BioCentre car park. Please ask for York Diagnostic Imaging at the BioCentre reception desk where you will be given a free of charge parking permit.

Travelling by train

York is on the main East Coast line and is accessible from most major cities. You can take a taxi or a bus from outside the station.

Travelling by local bus and taxi

The numbers 4 and 44 buses (signed for the University) run from immediately outside the railway station to the Science Park every 10-15 minutes. Alight at the Heslington Hall stop. Taxis can also be hired at the station.
